WE will be appointing 5 continuing students as AMBASSADORS of GenerateTech @ an official ceremony that community leaders, business owners and teachers will be a part of. 8 students will receive an invitation to apply but only 5 will be chosen. There are benefits of being an AMBASSADOR. More to come later.

NB.

1. We will begin using competent older students as teachers' aides to give them opportunities to develop confidence, public speaking skills, and in-depth knowledge in specific fields. These students will receive a stipend at the end of the month.
2. Current Members Pay \$150 to renew their yearly membership, monthly fee of \$100 for one child, \$150 for two children and \$225 for 3 children.
